PROFILE

Creative graphic designer with a Diploma in Journalism and Digital Media and hands-on experience designing posters, promotional videos and social media content for brands. Skilled in Adobe Photoshop, Lightroom and Premiere Pro, with a photographer's eye for composition, light and colour. Looking to join a creative team where I can turn ideas into clear, compelling visuals.

EXPERIENCE

Junior Technician and Social Media

PowerPulse Dynamics Jul 2026 to Present

- Create and edit video content for the company's social media channels
- Run the company's social media pages and keep content visually consistent
- Work directly with clients and deliver projects on time

Graphic Designer (Attachment)

Wanderville Tours and Travel Sep to Dec 2025

- Designed posters promoting the company and its offers
- Produced promotional videos for the company's marketing
- Managed company social media, creating the visual content posted

Photography and Editing (Attachment)

Royalty Photo Studio, Nairobi Apr 2025, 3 weeks

- Captured professional quality photographs across studio projects
- Edited and enhanced images in Lightroom and Photoshop to meet client expectations
- Created and edited professional videos in Adobe Premiere Pro

Junior Electrical Technician (Attachment)

Boiler Techniques Ltd, Nairobi Sep to Dec 2023

- Performed electrical connections, assisted in boiler servicing and supervised panel assembly, building strong attention to detail
